Vishal Jaiswar — IT Professional | Web Developer | Game App Creator

■ vishaljaiswar528@gmail.com | ■ LinkedIn: linkedin.com/in/vishal-jaiswar-264988247 | ■ Mumbai, India

■ Professional Summary

Detail-oriented IT Graduate (B.Sc. in Information Technology) with a solid foundation in software development, web technologies, and algorithm optimization. Skilled in building functional applications, interactive web projects, and responsive game applications. Passionate about problem-solving, full-stack development, and exploring the intersection of data analysis and machine learning.

■ Key Skills

- Programming & Development: HTML5, CSS3, JavaScript (ES6+), React, Node.js, Express, Java, MySQL
- Software Engineering: Data Structures & Algorithms, Object-Oriented Programming, System Design
- Databases & Tools: MongoDB, MySQL, Firebase, Git/GitHub, VS Code
- Core Abilities: Analytical Thinking, Algorithm Optimization, Problem Solving, Research Skills
- Soft Skills: Communication, Team Collaboration, Time Management, Project Leadership

■ Certifications

- CodSoft Web Developer Certification
- Courses in Data Structures & Algorithms, Machine Learning, Software Engineering Principles

■ Projects

- ■ Whack-A-Mole (Game Application) — Developed an interactive browser game demonstrating UI design, game logic, scoring system, and responsive controls. (Tech: HTML, CSS, JavaScript, localStorage)
- ■ College Finder App — Built a React Native mobile app to help students find colleges based on preferences and scores.
- ■ Automated Library Management System — Designed a Java + MySQL system to automate cataloging and lending processes.

■ Education

Bachelor of Science in Information Technology | 2022 – 2025 | Mumbai University

■ Additional Interests

- Data Analysis & Machine Learning
- Reading & Solving Coding Challenges
- Hiking & Playing Guitar
